With contributions from various  
Committee Chairpersons and  
Board Members

## **President's Message**

Here we are already in April. The Snow Birds begin returning North for the Summer and those who remain all year keep out the Welcome Mat for us all.

There are summer activities and projects somewhat smaller in scale but involving and fun packed as well. I wish you all to know that despite the lack of General Meetings until October, your board continues to work on your behalf.

The Homeowners committee will monitor ongoing and CapX projects with park management. The Nominations and Elections committee will certify and prepare candidates for the fall elections. The Social Committee will conduct summer and fall events. The Membership and Welcome committee will register and welcome new residents into our Community and HOA. The By-Laws committee is preparing an extensive and timely By-Laws update for your vote in the Fall. The Rules and Procedure committee will complete and present for board approval a comprehensive Rules and Procedures update for all of our HOA operations. I could continue, but know that every committee has work to complete through the summer until their committee assignments expire on January 1, 2019.

You can be of great service to your fellow residents here at Lakeland Harbor by volunteering to serve as Directors and Officers of the Board, Committee Members who assist in the HOA planning and governing, Event Chairpersons and Workers who provide the wonderful social activities throughout the year. Please Volunteer?

While it may seem quiet here in the summer, your HOA is working hard for you all year long. We'll keep you in the know through the Harbor Light paper, the Digital Harbor Light, Online Bulletin Board through Facebook, and postings in the Club House. Our Phone numbers and E-mail addresses are posted. Please keep in touch.

Have a Great April and God Bless you All.

## Federation of Mobile Home Owners

FMO is our only watch on Florida legislation to protect our rights and interests and advocate for our Over 55 Life Style Communities.

March 16, 2018 - THE FINAL WORD - 10% cap on commercial Real Estate: The legislature did put the question of a cap on the November Ballot, as a constitutional amendment. YEA!! (House and Senate Bills Had Failed.)

Amendment vote in November. 60% of the vote needed to pass. FMO will now focus on voter registration and will keep you posted for exact wording to achieve approval. Thank you for your continued support. Applications to join or renew can be found at the clubhouse and in the online newsletter, or you may call Carol at 781-856-4287.

## Happy Spring Lakeland Harbor Neighbors

This is our April Harbor Light Digital and we hope you enjoy it!

I would like to invite all Committee and Event Chairpersons to consider submitting items for inclusion in the digital version of our community newsletter. Many of you have been participating in the paper version for some time. We hope you will continue to utilize that medium as well as this new offering. This is still, and will continue to be, a work in progress. We will evolve over time in answer to what you want to see and what you enjoy. If you have items or articles to submit you may send them to me at [lindamitchell614@gmail.com](mailto:lindamitchell614@gmail.com) Below is a sampling of what we hope to see more of in the future.

Just a few pictures of the St. Patrick's Day party on March 17, 2018.

Great food, great company and a good way to celebrate this holiday among friends.

A sincere THANK YOU to all the volunteers who worked so hard on this party.

We appreciate all your efforts!

Moving on to Spring!

## APRIL 2018 Tips & Tidbits! (Happy Spring)

### **Do It Yourself Household Products:**

#1. Window Cleaner: 1/3c white vinegar, 1/4c rubbing alcohol, 3 1/4cups of water. Mix ingredients in a spray bottle. Shake Well.

#2. Furniture Polish: 1 C olive oil, 1/3 C lemon juice. Combine ingredients in a spray bottle. Shake Well.

#3. Multipurpose Cleaner: 3 C water, 1/3 C rubbing alcohol, 1 t. clear household ammonia, 1 t. mild dishwashing liquid, 1/2 t. lemon juice. Combine ingredients in a spray bottle. Shake Well.

### **Now that I'm older, I've discovered:**

Be decisive. Right or wrong, make a decision. The road of life is paved with flat squirrels who couldn't make a decision.

If you always do what you've always done, you will always get what you always got.

The nice thing about being senile is, you can hide your own Easter eggs and then have fun finding them.

### **Chuckle of the Month!**

I feel like my body has gotten totally out of shape. So, I got my doctor's permission to join a fitness club and start exercising. I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But, by the time I got my leotard on, the class was over.

### **April Recipe of the Month: Beef and Mushroom Dijon**

3/4 pound boneless sirloin steak, 3/4 inch thick

2 C sliced fresh mushrooms (about 6 oz.) 1/2 C sliced onion (1 small)

1 can cream of mushroom soup, 1/4 c water, 2 T Dijon-style mustard

4 C hot cooked rice

Slice beef into thin strips, spray medium skillet with cooking spray and heat over medium-high heat 1 minute. Add beef and cook until browned. Set beef aside. Reduce heat to medium. Remove pan from heat. Spray with cooking spray again, add mushrooms and onion and cook until tender. Add soup, water, mustard. Heat to a boil. Return beef to pan and heat through. Serve over rice. If desired garnish with fresh sage.

## **FOOD FOR THE NEEDY**

On the first Sunday of each month, our community collects food for the needy. In March the food was donated to the Salvation Army.

Please place your food contribution at the end of your carport by 1PM. Our Committee will pick it up and deliver it. Food must have a current date and be labeled as manufactured.

Thanks to all our residents for your generosity. It is most appreciated.
