PRESIDENT'S MESSAGE

Linda Oman
lindaoman902@gmail.com
419-559-8856

RULE: noun (rules: plural noun) An accepted principle or instruction that states the way things are or should be done and tells you what you are allowed or are not allowed to do.

Remember when you were a young child growing up and your parents had some rules for you like don't cross the street without an adult because you could be hit by a car, or you must eat all you meal before getting dessert or going outside? Or when you were a teenager and you were given a curfew, or told you had to keep your grades up, and if you didn't get there were consequences that usually happened (like getting grounded)? Maybe your boss told you that if you were late three times you could be terminated, so you decided not to test that because you needed your job? Or what about the speed limit being 35, Or 55, or 70 mph, and you know what the consequences could be, but you still go over the speed limit time and time again.

Whether we like it or not, there are many rules in life that we can choose to abide by or not, and we do that every day. But we need to remember that rules are made to keep people safe, to guide them on what to do and when to do something, and to keep things orderly.

We don't need to like rules, laws, mandates...whatever you want to call them. But we should respect that those rules were put in place for a reason (that we may or may not understand). Truth is we probably do understand but don't like the reason anyway. For instance, there are many rules here at Lakeland Harbor that all residents should abide by like cleaning the clubhouse after every event, not using the pool spa area after hours, parking in designated areas, keeping our dogs on leashes when outside, cleaning up after our pets (dogs and cats), paying rent on time, keeping homes in good condition, maintaining our yards. I could go on and on, but I won't. Instead, I ask everyone to think about how we can abide by rules here and still be happy.

At last week's HOA Board meeting we discussed the pool renovation, the golf cart parking situation, no smoking designation for the pool area and ways we could suggest some changes to the rules that would be/could be a win/win situation for everyone. This is one way we can abide by rules as we try to improve those rules. Thanks to everyone who came to the meeting and followed the meeting rules that were posted and spoke freely on these topics. I feel the meeting went very well and really appreciated your feedback and honesty. Let's continue to have open communication so that we can continue to make Lakeland Harbor a great place to live, have fun, and stay safe.

Jeff and I will be back in Ohio from the 1st week of May through July and will be coming back as full time residents no later than the first week of August. Even though I won't be in the park, please feel free to call me or email me anytime if you need to. My cell phone number is 419-559-8856 and my email is lindaoman902@gmail.com.

While we will still be here for six more weeks, I want to say safe travels to our "snow birds" who will be heading back soon. Hope to see you all in the fall. And to those who will be here through the summer, stay cool and safe!

MANAGER'S MESSAGE

Jamie Mullis Lamb
Office # 863-688-3496

Hello Lakeland Harbor! Happy Easter and Welcome to Spring!

Effective Monday, April 1st the Pools and Spa will be closed for remodeling. This project will include resurfacing the interiors and replacing the tiles along the inside edges of the pools and spa, as well as replacing the deck pavers and the electrical inside the pump house. We are currently working with the vendor to determine the timeline, but currently the project is estimated to take a minimum of 8-10 weeks to complete. I apologize for the inconvenience, but as I mentioned in my Robo call I am very excited to see the finished project. With this newsletter being the April and May edition, please listen for additional updates via the Robo call system.

I would like to say thank you to everyone who has respectfully followed the golf cart parking directive at the clubhouse. We have noticed you and appreciate you!

As we near the end of the winter and our snowbird residents start preparing for their travels back north, first and foremost we wish you safe travels and a wonderful summer. Also, as a reminder, please have a plan for continued care for your home and site while you are away, and make sure your contact information and alternative address is correct with the office.

If you have a question or a suggestion about the community, please feel free to come talk to me.

I express this every month because I feel it is the most important reminder, please be respectful and kind to your neighbors.

Thank you all for everything you do to make our community a beautiful and welcoming place

TIPS & TIDBITS

(Time to water those plants and enjoy the beauty)
Spring has Sprung

Now that I am older I have learned:

*I am never lonely at bedtime, because "I have company: Arthur Itis, Ben Gay, Ty Lenol, and sometimes Mogan David and Grey Goose too!!

*If you don't leave your past, in the past, it will destroy your future. Live for what today has to offer, not what yesterday took away.

*The world is far from perfect, there is conflict and strife, But you can still make a difference by how you live "your life".

Chuckle for the Month :

Do you know how Viagra and Disney are alike? You wait 2 hours for a 3-minute ride.

Three violin makers coexisted on the same block in Cremona, Italy. Then one day the Amati family put a sign in the shop window saying, "We make the best violins in Italy". The Guarneri Family soon put a sign in their window, "We make the best violins in the World". Finally, the Stradivarius family responded with this sign, "We make the best violins on the block".

Recipe of the Month: This Recipe Really Adds Up

The sum of the cabbage is directly proportional to the square root of the carrot divided by the mayo. That is Cole's Law. (Just a little kitchen humor)

NOW, the Real Recipe of the Month: Crunchy Bacon Coleslaw

$\frac{3}{4}$ C miracle whip, 1 T sugar, 4 C, shredded green cabbage, 1 C shredded red cabbage, $\frac{1}{2}$ C chopped peanuts, 4 slices bacon crisply cooked and crumbled.

Mix dressing and sugar in a large bowl. Add remaining ingredients; mix lightly.

Refrigerate. Serves 8-10 This is a great potluck dish.

NOTE FOR ALL RESIDENTS:

We would like to ask residents to think twice before throwing food out in your yards to feed the wildlife. This encourages animals to hang around your (or your neighbor's yard hunting for food. There can be problems keeping these animals from imposing damages around or underneath your home or your vehicle. Not to mention, but the fact is that feeding some of the local animals is actually against the law in Florida. Please see this excerpt from an article below:

Please don't feed the squirrels, unless you want them to move in—by Sally Scalera, University of Florida

When it comes to squirrels though, my suggestion is only to add plants to your landscape the provide food or shelter, instead of providing them with food.

Squirrels can be entertaining to watch (though agitating for dogs) and can be attracted to your landscape with minimal effort. Attracting squirrels with feeders, however, is not recommended, because that could lead to more problems than benefits. Feeders often encourage more squirrels to live in an area than can be supported by the surrounding habitat. When this occurs, squirrels may search out nesting sites in your home causing property damage. Many squirrels that reside in an attic or garage ceiling can be traced to a feeding situation.

St. Patrick's Day

Great food and certainly plenty of it. No one went home hungry, pretty sure of that. Thanks to Jan Terry and her whole crew who put this together for us.

Yum!

Chris Dawson did a couple of popular songs very well.

We may indeed have heard one of the Youngest and one of the "Most Senior" (notice not saying Oldest) LOL entertain us at Karaoke in March.

Fine job enjoyed by the audience from both.

Nora Gibson 94 and definitely still has what it takes.

Randy McKee thrilled all with his amazing voice on more than one song.....However, this was Connie McKee's first time and they were a fantastic duet.

Great Evening thanks to Mary & Dubby Hill. This night's event agreed to donate its profit to the Care & Concerns Committee. Thanks to the Hills and the HOA Board for providing for.....

Dan Lewis donated 2 tickets for a door prize at Karaoke for a Detroit Tigers game on March 16th. Chris Dawson won the tickets and gave them to Fred Nunes. Thanks to Dan for donating them and thanks to Chris for giving them to Fred.
